Important information

Closing date for submission

no later than **25th January 2024**

Arrears interest

Failure to meet the closing date for submissions will result in arrears interest becoming due in accordance with Art. 41^{bis} Clause 1 d OASIO with retrospective effect from 1st January 2024.

Incomplete forms:

Unfortunately, we will have to return any unsigned or illegible pay statements to you for correction.

Members without any salaries liable to OASI must also submit the settlement statement whilst they continue to be recorded in the Commercial Register. In this case, the signature, dated and marked "No personnel liable to OASI", will suffice.

Only those salaries actually paid in the year 2023 have to be declared. All supplements from previous years must be notified to us separately.

Accident and daily sickness allowances as well as maternity insurance Geneva are not liable for contributions.

Form Lohnbescheinigung (pay statement)

Enter the names of all employees.

Delete those who were no longer employed in the year 2023.

The names of the employees who have already been notified to us are listed on the pay statement. You must add the names of all missing employees as well as auxiliary staff and delete those who were no longer employed in the year 2023. Please note that the correct insurance number, exact date of birth and gender must be stated.

Form *Absenzenentschädigungen* (paid absences) (only for AM Suisse members)

Members of the association AM Suisse can claim compensation for certain absences. Absences which qualify for allowances are listed below on the form *Absenzenentschädigungen* (paid absences).

Important:

- Please state the reason for the absence for each employee and pay attention to the limit to the number of days per reason for absence. We are unfortunately unable to accept settlement of the paid absences on a flat-rate basis.
- The total for paid absences is limited to CHF 568 per day.
- Not listed here are absences due to illness or accident and loss of earnings compensated by the Income Compensation Ordinance (EO) (military service including recruitment, maternity and paternity, adoption, caring for children with serious health problems, etc.).

Formula for calculating the amount of the paid absence

The daily rate for the employee concerned must first be determined:

For hourly-based pay:	Hourly rate x 8.0 hours = daily allowance
For monthly-based salary:	$\frac{\text{Annual salary amount (max. CHF 148,200)}}{2,086} \times 8.0 = \text{daily allowance}$

The daily rate, multiplied by the number of days' absence, gives the total loss of earnings in CHF.

Examples

Hans Muster, works on a hourly-paid basis → Death in same household

Daily allowance CHF 30 x 8.0 hours = **CHF 240**
 Total loss of earnings CHF 3 Days x CHF 240 = **CHF 720**

	Name und Vorname des Bezügers <i>Surname & name of the employee</i>	Anzahl Tage <i>No of days</i>	Tages-Ansatz CHF <i>daily rate</i>	Lohnausfall Total CHF <i>total loss of earnings in CH</i>	Grund Nr. * <i>reason for the absence</i>
1	Muster, Hans	3	240.00	720.00	5

Tanja Meier, works on a monthly-paid basis → wedding

Daily allowance = $\frac{\text{CHF 65,000 (CHF 5,000 x 13)}}{2,086} \times 8.0 \text{ hours} = \text{CHF 249.28}$

Total loss of earnings in CHF: 3 days x CHF 249.30 (rounded up the nearest 5 Rappen) = **CHF 747.90**

	Name und Vorname des Bezügers	Anzahl Tage	Tages-Ansatz CHF	Lohnausfall Total CHF	Grund Nr. *
